NOTES:

1. Club nights consist of a special event (eg. 200m medley, 100m freestyle) followed by each of the four strokes (25m or 50m).
2. Nominations are made through Swim Central (accessed on the club website).
3. Dates are subject to change.
4. Swimmers must swim 9 club nights to be eligible for age champion points at the Club Championships.
5. **Elaine Goebel Relay:** The Elaine Goebel Relay is a knock out teams relay event where teams compete to try and record consistent team times each time they race.

Rules for the Elaine Goebel Relay are as follows:

- Swimmers are placed in mixed teams (male and female) of equal numbers.
- Round 1: Teams swim a relay to record an overall team time.
- Subsequent Rounds: Teams swim the relay and record an overall time. The team which records a time furthest from their overall time in Round 1 is eliminated. Rounds continue until one team is declared the winner.
- The winning team is kept secret until Club Presentations and will receive a medal / team names on a trophy.
